

Midway City Fireworks and Open Fire Restrictions

The Wasatch County Fire Marshal has prohibited fireworks and fires in certain areas of cities where vegetation is overgrown or in benches and foothills where wild land fire potential is extreme.

Midway City has defined the geographical areas where restrictions are in force effective July 1, 2012 on the **discharge of any fireworks (including Class A, B and C) and open fires:**

- North of Cari Lane, Burgi Lane, River Road from the round-a-bout north
- West of Homestead Drive, 400 West, 250 West
- East of Michie Lane
- South of 500 South
- Or other areas where vegetation is overgrown

Residents living in the above restricted areas are welcome to come to the Town Square to use Class C fireworks such as igniters, fuses and "common fireworks", which are the smaller and less powerful fireworks available for sale to and use by the general public. Please clean up your debris from your fireworks off the Town Square.
